

Employer & Career Expo

Tuesday, March 16, 2010

10 a.m. - 5 p.m.

Douglas County Fairgrounds, Douglas Hall

Including Community Resources and Information for Veterans

Greetings,

The Douglas County Employer Council (DCEC) is excited to announce March 16, 2010 as the 2010 Employer & Career Expo! This is a great opportunity to meet the public, help the workforce prepare for the future, and most importantly help our labor force stay in our community. (Last year we had over 1200 attendees!)

As a gift to you and our community, DCEC would like to cover the registration cost for you!

You will notice for the 2010 event we have added Career to the expo. Many people are upgrading their skills right now and want to know their options and what skills they will need when the economy turns around. Many also are in need of resources to help them survive right now.

We will be inviting community resource members, educational partners, Veteran Services, and the Douglas County Society of Human Resource Managers to offer job related workshops and information. A copier will be provided courtesy of OCE, and we are working on getting the WorkSource Oregon Employment Department's computer lab back.

For our employers, it is not necessary to have an open job listing. Some employers may choose to accept resumes, others may not, and a few local employers have on-line web sites they use exclusively for the application process. We encourage you to participate in this event so our local workforce may learn about our local companies' workforce needs.

The Expo will be held at the Douglas County Fairgrounds on Tuesday, March 16 from 10 am to 5 pm. Employers participating in the event will be provided an 8 foot table, tablecloth, and 2 chairs.

Advertising is under way to bring employers, students, organizations and the public together for this one day special event. Even though there will be no registration fee for you to participate in the event this year, to ensure that your organization is included in the advertising material, you will need to register by February 12.

Please take a moment now to complete the enclosed registration form and return it to Patricia at the WorkSource Douglas Employment Department. You may fax the form to 440-3498.

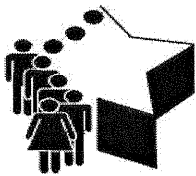

Use this opportunity to get your organization in front of the public at no cost to you!

Don't delay! Space is limited!

Questions? Call Patricia: 541-440-3344 ext. 2353

* Please note that business ventures, including opportunities which require an initial investment, involve multi-level marketing or are classified as independent contracting will not be able to participate.
